

"For we are God's masterpiece. He has created us anew in Christ Jesus so we can do the good things planned for us long ago"
Ephesians 2:10

Your voice has purpose which God planned for you long ago. Let your voice that's full of purpose bless others and the people close to you. Willow blessed her classmates by writing a poem about how God loves her voice and read it aloud to her classmates.

I encourage you to **write a poem** about the beautiful truth that God loves your precious voice and that He created you with purpose. Then read it aloud to someone using your voice and watch your words full of purpose bless them.

What is a poem?

A poem is a short piece of writing. With a collection of words and phrases.

My advice for when you write your poem:

- Pray before you write. This would always help me. I would simply pray "God help me write the words you have placed on my heart and let it be a blessing to others. Amen"
- Write the words that God has placed on your heart.
- Have fun with it!

Then, take a picture of your poem or record yourself reading your poem and tag me on Instagram @godlovesmyvoice and I will repost it! I cannot wait to read the words you write and to hear your precious voice reading them!
